

UNIVERSITY LIBRARY

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY

TOOLS FOR SOCIAL SCIENCE RESEARCHERS

@ AVRC HALL, UNIVERSITY LIBRARY

23RD NOVEMBER
2022

10 AM TO 1 PM

HIGHLIGHTS

- Academic Writing
- How to avoid Plagiarism
- Reference management tools & Grammarly
- Electronic Resources
- Open Educational Resources
- How to explore your Library

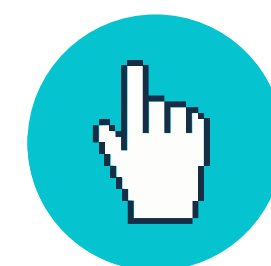

No matter what your field of research, there are many tools to help you organize your notes, cite your sources, find important articles, connect with colleagues, and much more. If you are a non-native English speaker, then you need a research tools to help you with your written language. You also need a Plagiarism Detection Software to avoid academic misconduct.

University Library is conducting an awareness programme on "Tools for Social Science Researchers".
